# Responsible and dynamic insurance

**flexivie** has a new fund which gives you even more modularity and ensures you can invest responsibly: **CapitalatWork Foyer Sustainable Equities**.

You can now invest in companies that promote sustainable development while delivering attractive financial results.

## Key features

In addition to the benefits of life insurance offered by flexivie, enjoy the many advantages of our responsible insurance:

### More transparency

You invest with full knowledge of the facts

### Respect for your moral values

You encourage sustainable development

### Attractive long-term returns

This fund, composed of 100% equities, aims for a high return. It is ideal for the «dynamic» investor profile

### The expertise of CapitalatWork Foyer Group

Active in wealth management for more than 25 years

### Your money always available

You have the option during the entire term of the policy to withdraw the accumulated savings without any exit fees.

## A certified product

which is based on an investment strategy strictly approved by professional associations specialising in this area.

## A socially responsible investment strategy

This investment methodology complements the long-term philosophy of CapitalatWork Foyer Group by promoting companies active in sustainable economic development.

It is based on 3 pillars:

- The integration of ESG criteria related to the Environment, Society and Corporate Governance, during the investment process.
- Transparency of our investments through regular dialogue with our clients.
- Our commitment to represent your best interests through our investments.
