FLEXIBLE OPTIONS TO SUIT YOU, FOR GREATER PEACE OF MIND

PERSONAL BELONGINGS

This option covers you for the repair or replacement of all your items and luggage in the vehicle (including electronic and multimedia devices).

PURCHASE PRICE/VALUE +

For us, your car retains its purchase or replacement value. Instead of depreciating each year, until your car is three years old, you will receive the best possible compensation in the event of theft or a write-off. After 36 months, we increase the normal compensation by 10%.

PROTECTED DRIVER

Drivers are typically the only ones not compensated for their own damage in the event of an accident. To address this shortfall, we are offering you this personal cover for yourself (and all other drivers named in the policy), for all your journeys, in the event of injury or disability, whether you are driving your car or cycling, on a scooter or on public transport.

BONUS PROTECTION

Avoid a price increase following claims for bodywork/material damage. This option gives you complete control over your motor insurance budget.
