COMMENTS

VEHICLE DOCUMENTS

Are all the documents available? (international motor insurance card, certificate of conformity , technical inspection, service book, owner's handbook)				
Is the seller the owner of the vehicle?				
Are the maintenance schedule and the technical inspection up to date?				
Are duplicate keys provided?				

EXTERIOR

Bodywork: no trace of accidents: scratches, dents, rust, differences in colour				
Openings: alignments, sealing, resistance, poor fitting				
Tyres: consistent and acceptable wear (3mm in summer, 4mm in winter)				
Rims and hubcaps: no major damage				
Brakes: acceptable wear on discs and pads				
Windows and windscreen: traces of impact and/or scratches				
Headlights and signal lights: no damage				
Convertible: opening/closing and no water infiltration				

UNDER THE BONNET

Chassis number: identical to the number on the international motor insurance card and the certificate of conformity				
Engine: no leaks, levels of liquids				
Battery: shows no signs of weakness				

PASSENGER COMPARTMENT AND BOOT

Mileage: consistency with the documents and the advertisement				
Windows: go up and down without sticking				
Coverings: seats, plastics, and carpets (check the boot)				
Operation of equipment: air conditioning, headlights, windscreen wipers, mirrors, demist functions , radio, etc.				

VEHICLE TEST

Engine: starts easily, no abnormal noises at low and high engine speeds				
Steering wheel: doesn't pull to one side or the other in a straight line				
Braking: the vehicle stays on course, and the wheel doesn't shake				
Gearbox & Clutch: shifts to all gears without sticking				
Suspensions: no particular noises				
Exhaust smoke: no blue or white smoke
