Value the contents of your home

Value the contents of your home

To be fully insured it is important to know the exact value of your home contents and belongings. This leaflet will make it easy to estimate the value of everything you have accumulated over the years!

Follow our advice to fully protect the contents of your home:

- Note the current value of your home contents in this leaflet.
- Take photos of your valuables. They may prove useful in the event of theft.
- Regularly check the value of your home contents with your agent. That way, you will never be surprised in the event of a claim.
