

Corporate Governance

Annual report 2010

Introduction

In 2006, Foyer Assurance S.A. participated in the working group of the Luxembourg Stock Exchange who drew up "The ten principles of corporate governance of the Luxembourg Stock Exchange", a revised version of which has been published in October 2009. These principles are intended to Luxembourg companies whose shares are quoted on the Stock Exchange. Their purpose is to contribute to the creation of long term value.

"A good corporate governance framework should create a balance between a performance orientated strategy on the one hand, and adherence to reliable risk management systems and internal controls on the other. The latter requires responsibility, integrity and transparency" (Quotation from the preamble of the Ten Principles)

By decision of 6 March 2007, the Board of Directors of FOYER S.A. adhered to The ten principles of corporate governance of the Luxembourg Stock Exchange by adopting a set of rules which constitute the Corporate Governance Charter of FOYER S.A. Group. (Hereafter "the Charter"). Following the adherence to these rules, the articles of incorporation of FOYER S.A. were brought in line and agreed with by the Extraordinary Shareholders Meeting of 3 April 2007. The charter was applicable immediately thereafter.

The Charter describes the principal aspects of Corporate Governance of FOYER S.A. Group tracing in detail the manner in which FOYER S.A. is managed and controlled. The Charter consists of several parts:

- a description of the structure and the organisation of the Group;
- the components of issued share capital of FOYER S.A.;
- the role and modus operandi of the General Meeting of Shareholders;
- the composition, attributions and modus operandi of the Board of Directors and special committees which are assisting the Board of Directors as advisory bodies;
- a description and modus operandi of the Executive Management in charge of daily management;
- an overview of the external controlling bodies which supervise the activities of Group companies and audit annual accounts.

The Charter is completed by a coordinated version of the statutes of FOYER S.A.

The Charter sticks to all the principles of Corporate Governance as enacted by the Luxembourg Stock Exchange. However, in as far as the independence criteria of the Board members is concerned, the Board of Directors considers that, contrary to the criteria proposed in the recommendation 3.5 (see annexe D paragraph h) of the Ten Principles, that a long term mandate will probably constitute an advantage, given the fact that it allows the board member to acquire over the years a thorough

knowledge of FOYER S.A. Group, without any incidence on his ability for critical examination and/or his independence.

Whenever the Board of Directors adopts a change in the wording of the Charter, it is immediately updated.

An updated version of the Charter can be consulted in its entirety on the website
