

Corporate Governance

Annual report 2009

Introduction

In 2006, Foyer Assurance S.A. participated within a working group set up by the Luxembourg Stock Exchange which drew up "The ten principles of corporate governance of the Luxembourg Stock Exchange", including a revised version published in October 2009. These principles address Luxembourg companies that are quoted on the Exchange. They aim to contribute to build added value in the long term:

"A good corporate governance framework should create a balance between a performance orientated strategy on the one hand, and adherence to reliable risk management systems and internal controls on the other. The latter requires responsibility, integrity and transparency" (Quotation from the preamble of the Ten Principles)

By decision of 6 March 2007, the Board of Directors of FOYER S.A. adhered to the Ten Principles of Corporate Governance of the Luxembourg Stock Exchange by adopting a set of rules which constitute the Corporate Governance Charter of the FOYER S.A. Group (Hereafter "the Charter"). Following the adherence to these rules, the articles of incorporation of FOYER S.A. were brought in line and agreed with by the

Extraordinary Shareholders Meeting of 3 April 2007. The charter was applicable immediately thereafter.

The Charter describes the principal aspects of Corporate Governance of the FOYER S.A. Group by outlining precisely the manner in which FOYER S.A. is managed and controlled. The Charter is made up of different parts:

- a description of the structure and the organisation of the Group;
- the components of issued share capital of FOYER S.A.;
- the role and functioning mode of General Meeting of Shareholders;
- the composition, attributions and functioning mode of the Board of Directors and Standing committees which are assisting the Board of Directors as advisory bodies;
- a description and the functioning mode of the Executive Management in charge of daily management.
- An overview of the external controlling bodies which supervise Group activities and audit annual accounts.

The Charter is completed by a coordinated version of the statutes of FOYER S.A.

The Charter sticks to all the principles of Corporate Governance as enacted by the Luxembourg Stock Exchange. However, in as far as the independence criteria of the board members is concerned, the Board of Directors believes that, to the contrary of the recommendation of 3.5 (see annexe D paragraph h) of the Ten Principles, that a long term mandate will probably constitute an advantage, given the fact that it allows the board member to acquire over the years a thorough knowledge

of FOYER S.A. Group, without any incidence on his ability for critical examination and/or his independence.

Whenever the Board of Directors adopts a change in the wording of the Charter, it is immediately updated.

An updated version of the Charter can be consulted on the website **www.foyer.lu**.
